

## TULIP CONTACT AND FLAT CONTACT SERIES

[www.ghorit-elec.com](http://www.ghorit-elec.com)

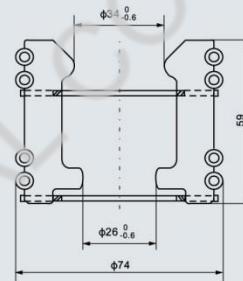

12~40.5KV

400~4000A

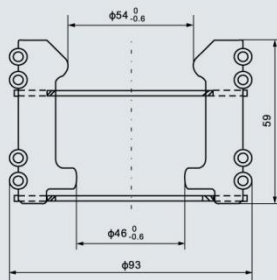

- Products code: HCB103
- GC5-630A tulip contact, 12 sheets
- Material: copper with silver coating

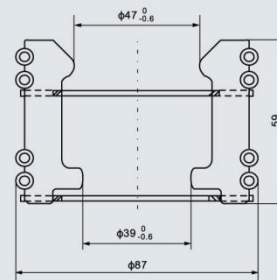

- Products code: HCB104
- GC5-630A/1250A tulip contact, 24 sheets
- Material: copper with silver coating

- Products code: HCB105
- GC5-1250A tulip contact, 30 sheets
- Material: copper with silver coating

- Products code: HCB106
- GC5-1600A tulip contact, 36 sheets
- Material: copper with silver coating

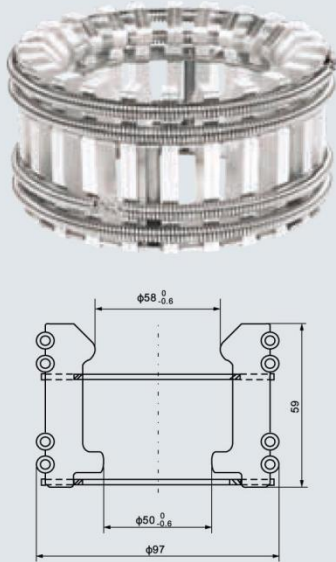

## TULIP CONTACT AND FLAT CONTACT SERIES

www.ghorit-elec.com

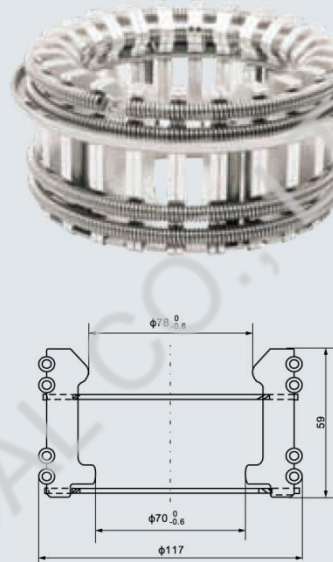

12~40.5KV

400~4000A

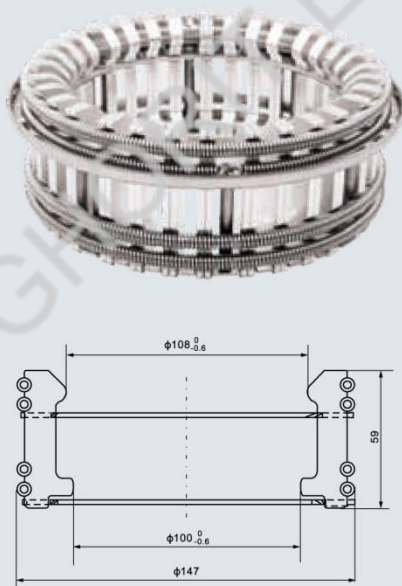

- Products code: HCB107
- GC5-1600A tulip contact, 40 sheets
- Material: copper with silver coating

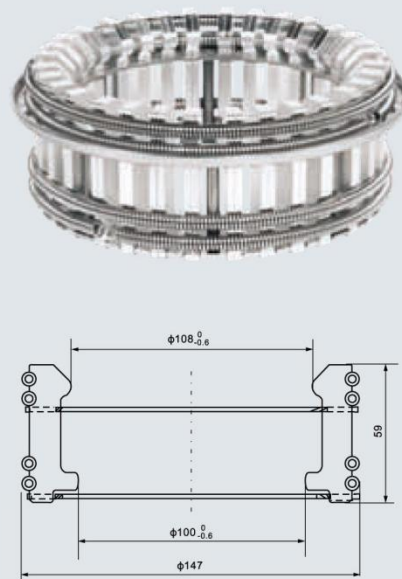

- Products code: HCB108
- GC5-2000A tulip contact, 48 sheets
- Material: copper with silver coating

- Products code: HCB109
- GC5-3150A tulip contact, 64 sheets
- Material: copper with silver coating

- Products code: HCB110
- GC5-4000A tulip contact, 84 sheets
- Material: copper with silver coating

## TULIP CONTACT AND FLAT CONTACT SERIES

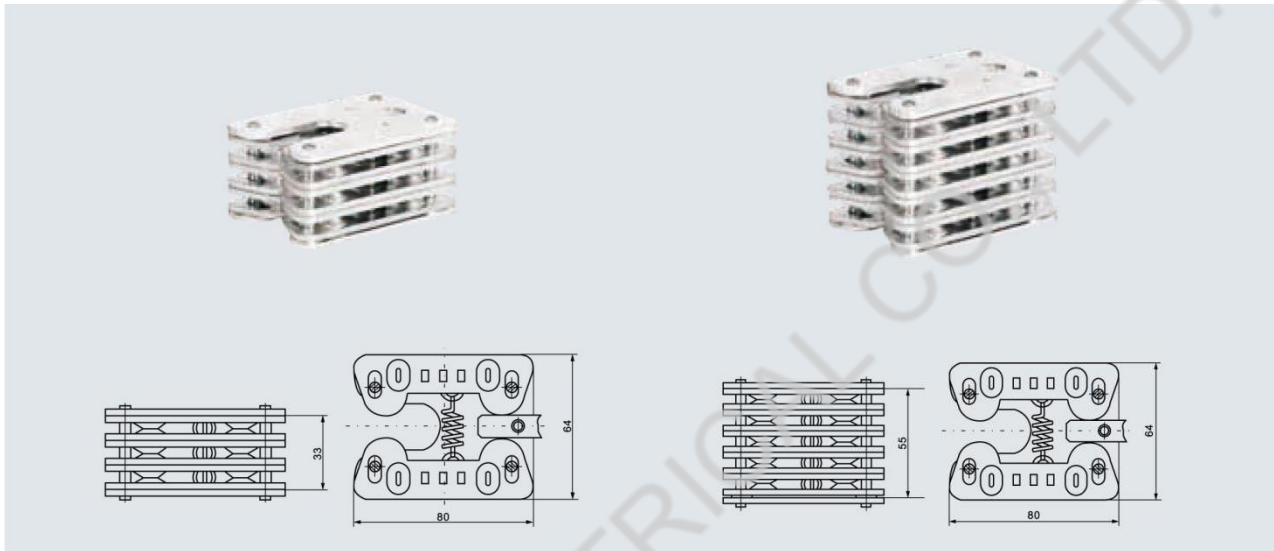

www.ghorit-elec.com

12~40.5KV

400~4000A

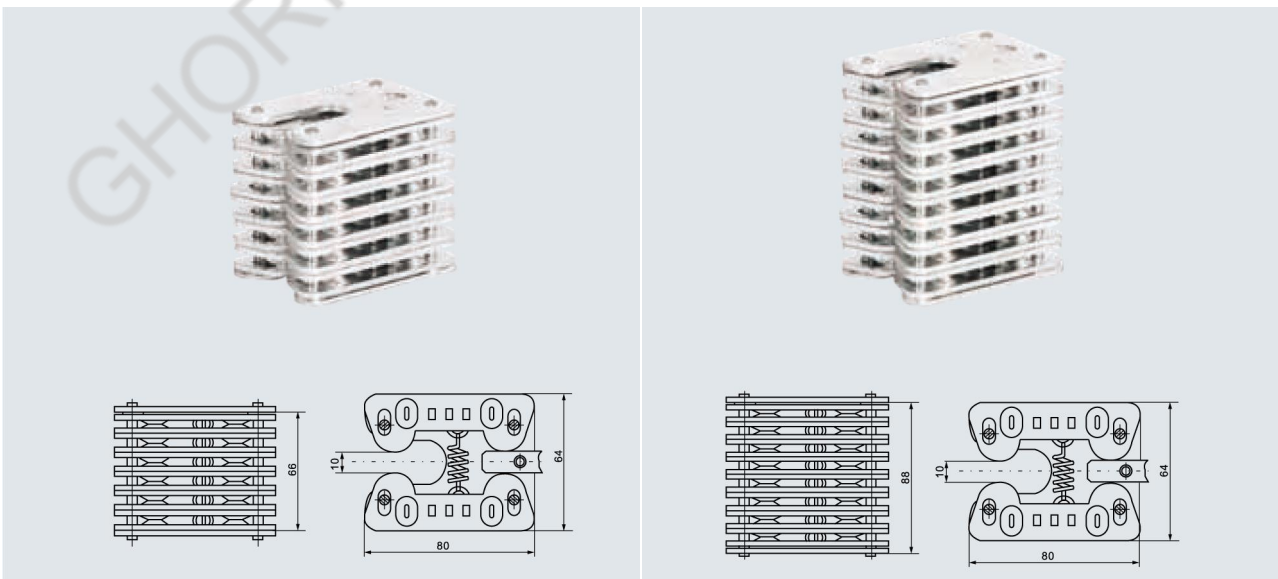

- Products code: HCB201
- GC8-630A flat contact, 12 sheets
- Material: copper with silver coating
- Contact plate thickness: 10mm, insertion depth:  $34 \pm 2$

- Products code: HCB202
- GC5-1000A flat contact, 20 sheets
- Material: copper with silver coating
- Contact plate thickness: 10mm, insertion depth:  $34 \pm 2$

- Products code: HCB203
- GC8-1250A flat contact, 24 sheets
- Material: copper with silver coating
- Contact plate thickness: 10mm, insertion depth:  $34 \pm 2$

- Products code: HCB204
- GC5-1600A flat contact, 32 sheets
- Material: copper with silver coating
- Contact plate thickness: 10mm, insertion depth:  $34 \pm 2$

## TULIP CONTACT AND FLAT CONTACT SERIES

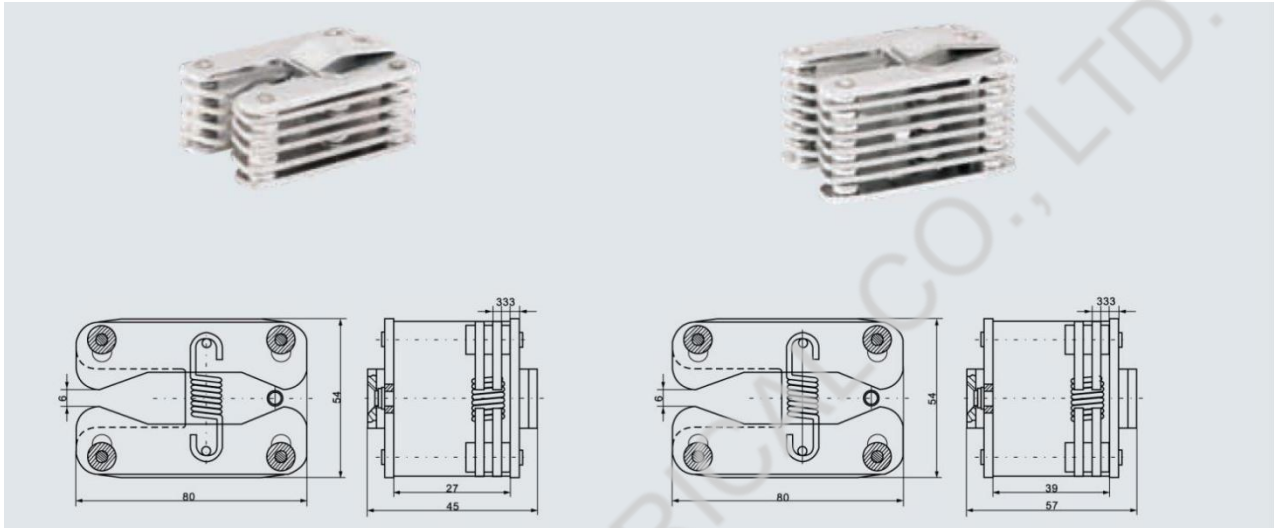

12~40.5KV

400~4000A

[www.ghorit-elec.com](http://www.ghorit-elec.com)

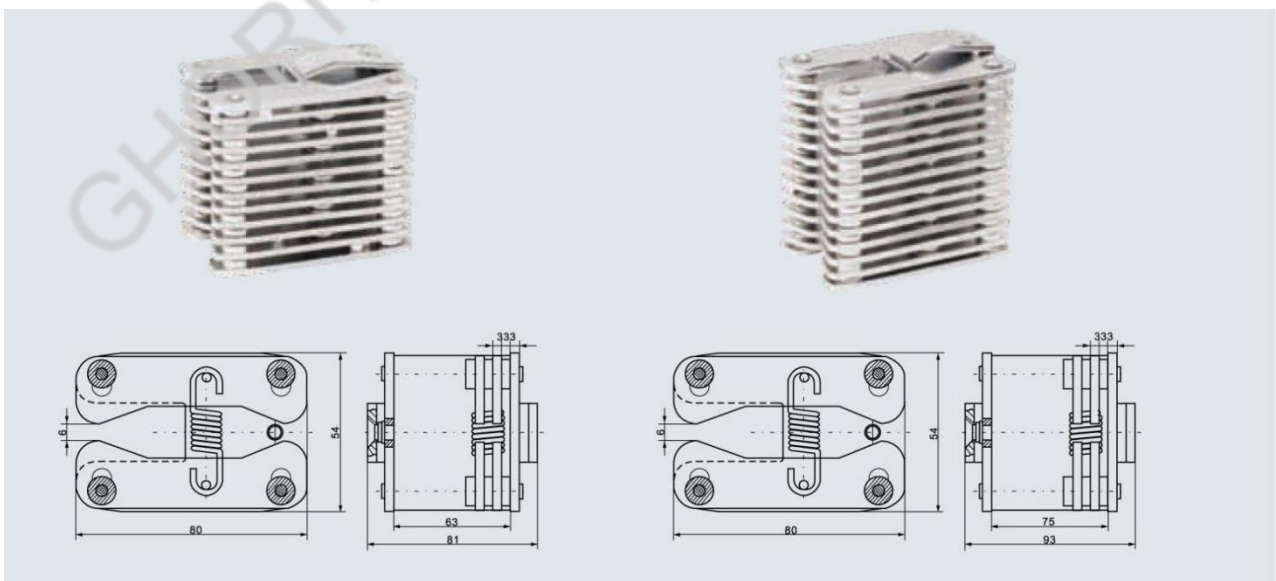

- Products code: HCB301
- GC6-400A flat contact, 8 sheets
- Material: copper with silver coating
- Contact plate thickness: 10mm, insertion depth:  $34 \pm 2$

- Products code: HCB302
- GC6-630A flat contact, 12 sheets
- Material: copper with silver coating
- Contact plate thickness: 10mm, insertion depth:  $34 \pm 2$

- Products code: HCB303
- GC6-1000A flat contact, 20 sheets
- Material: copper with silver coating
- Contact plate thickness: 10mm, insertion depth:  $34 \pm 2$

- Products code: HCB304
- GC6-1250A flat contact, 24 sheets
- Material: copper with silver coating
- Contact plate thickness: 10mm, insertion depth:  $34 \pm 2$

12~40.5KV

400~4000A

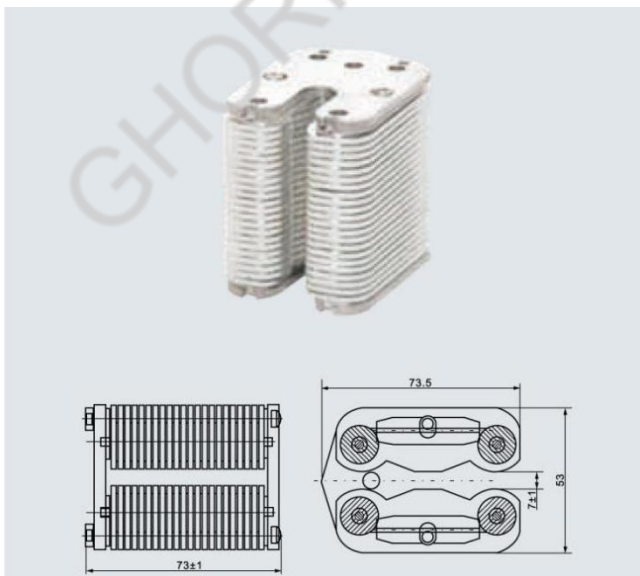

- Products code: HCB401
- GC7-400A flat contact, 26 sheets
- Material: copper with silver coating
- Contact plate thickness: 10mm, insertion depth:  $34 \pm 2$

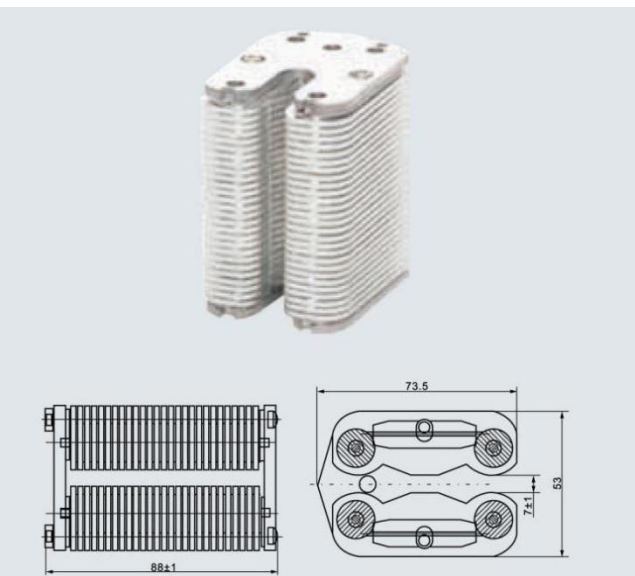

- Products code: HCB402
- GC7-630A flat contact, 34 sheets
- Material: copper with silver coating
- Contact plate thickness: 10mm, insertion depth:  $34 \pm 2$

- Products code: HCB403
- GC7-1000A flat contact, 44 sheets
- Material: copper with silver coating
- Contact plate thickness: 10mm, insertion depth:  $34 \pm 2$

- Products code: HCB404
- GC7-1250A flat contact, 54 sheets
- Material: copper with silver coating
- Contact plate thickness: 10mm, insertion depth:  $34 \pm 2$

## TULIP CONTACT AND FLAT CONTACT SERIES

12~40.5KV

400~4000A

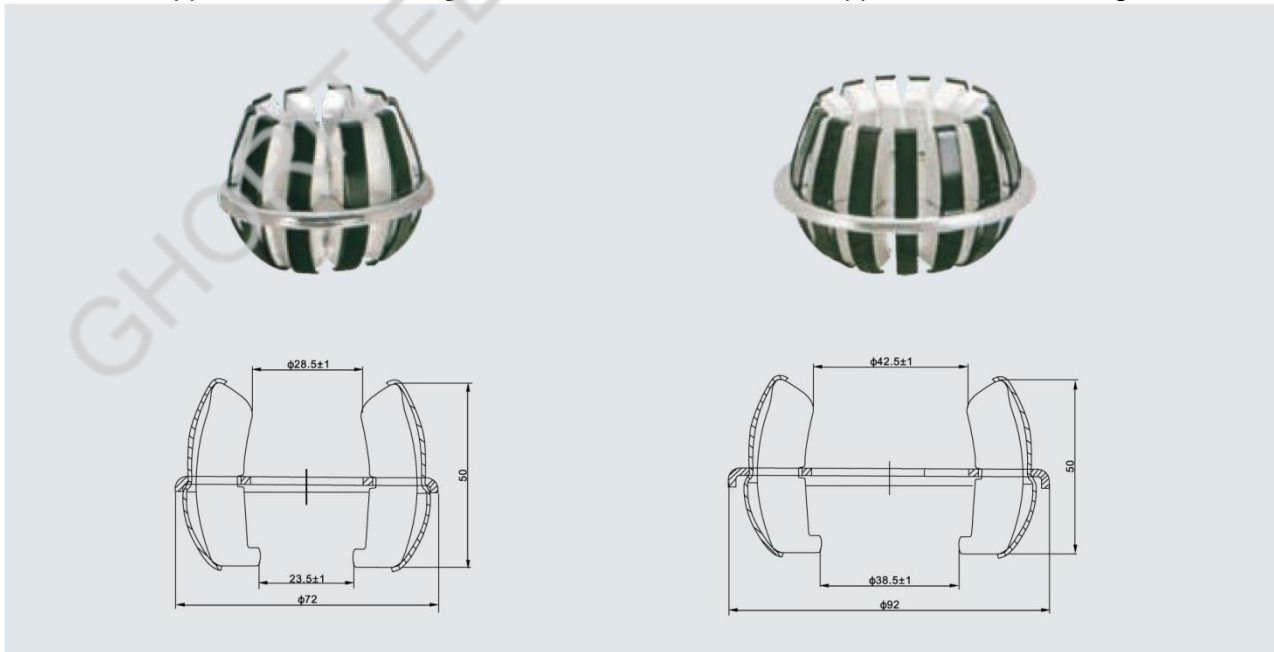

- Products code: HCB501
- GC4-400A round contact, 4 sheets
- Material: copper with silver coating

- Products code: HCB502
- GC5-630A round contact, 6 sheets
- Material: copper with silver coating

- Products code: HCB503
- GC4-1000A round contact, 10 sheets
- Material: copper with silver coating

- Products code: HCB504
- GC5-1250A round contact, 15 sheets
- Material: copper with silver coating

12~40.5KV

400~4000A

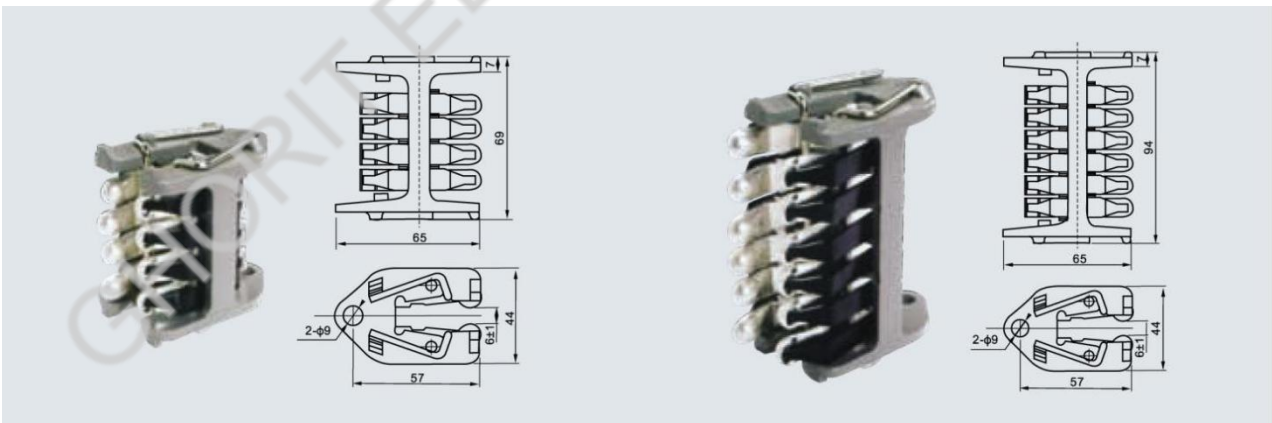

- Products code: HCB505
- GC4-2500A round contact, 24 sheets
- Material: copper with silver coating

- Products code: HCB506
- GC5-3150A round contact, 30 sheets
- Material: copper with silver coating

- Products code: HCB601
- GC3-400A earthing small contact, 8 sheets
- Material: copper with silver coating

- Products code: HCB602
- GC3-400A earthing small contact, 12 sheets
- Material: copper with silver coating
