

Product Specification

Coco betaine

General Information	
Products name	Coco betaine
INCI	Coco betaine
Cas No	68424-94-2
Appearance	Clear very pale yellowish liquid, no or faint odor
PH Value	6.0-8.0
Solubility	Water-soluble
Manufacture	Coco betaine is made from fatty acids derived from coconut oil. It has no propyl group and is also missing the amido functional group as compared to its closely related surfactant cocamidopropyl betaine.
Standard	GMP, Kosher, HALAL, ISO9001, HACCP
ADDITIONAL INFORMATION	
Product Description	Mild amphoteric surfactant derived from coconut oil. Easily water soluble in a wide pH range. Contains 36-38% active substances (remaining content is water). Specific gravity (25°C) 1.4.
Benefits	<ul style="list-style-type: none"> • Very mild co-surfactant compatible with anionic, non-ionic, cationic surfactants • Useful also as primary surfactant as it has good cleansing and foam-boosting properties • Slight thickening and emulsifying properties • Has good conditioning and antistatic properties
Applications	Body washes, shampoos, bubble baths, cleansing lotions, creams, hand soaps, baby products, hair conditioners, cream rinses.
USE	Can be added to formulas as is. Recommended use level 4-40% depending on desired foaming and cleansing effects. For external use only.
Packaging	25kg / drum; 5kg / PE-bag; 1kg / PE-bag Inner-Packaging filled in PE-bag, filled in second PE bag PE Bags:food grade
Shelf life	2 years when properly stored Store at room temperature or lower, keep tightly closed, protect from light, humidity and insects
